

Summer Reading and Math Group Tutoring

Sponsored by: 1st Choice Before and After School Kare (A.S.K.)

www.1stchoiceask.com

Location: Centennial Elementary-1555 W. 37th St. Loveland, Co. 80538

Reading Program: 9am to 10am

RAZ-Kids (Reading A-Z) An award winning online reading program where students improve their reading skills by;

- Listening for modeled fluency
- Recording their reading
- Checking comprehension with quizzes built for success
- Appropriate leveled books will be chosen for each student to track their reading progress.
- Students may practice from anywhere with internet access once they begin the program.

Math: 10am to 11am

IXL online math

“Math is about so much more than just numbers—so, IXL is too! We approach each math concept from all angles, offering visual representations, word problems, interactive activities, and more. With an abundance of math problems for every learning style, students can't help but build lasting skills and confidence.”

Dates: July 11th –August 5th

Fees: \$8.00 p/class, p/person, p/day (No Contracts) Visa, MC, Discover, Check Debit Cards only.

Student / Teacher ratio: 10/1

Days: Mondays, Wednesdays and Fridays of each week.

1st Choice Before and After School (A.S.K.) Summer Tutoring 2011

Parents, please complete this form and hand into the tutor Amy Cheese:

Dear Teachers,

I am providing online tutoring through the (A.S.K.) program this summer at Centennial Elem (see flyer). To best support your student, will you please provide their guided reading level? I will also be working with math concepts. If there are areas you would like me to focus on for this child, please also include that.

If you would like to talk with me, you can reach me on my cell 213-0462.

Thank you,
Amy Cheese
